

Evangelization Commission Meeting

April 23, 2016,

The meeting was opened by Chairman Jerry Tomasheski at 10:04 am. Father Franco gave the opening prayer, reading the Gospel for Sunday followed by a short reflection by all on the gospel. Members present were Jerry Tomasheski, Tom Banner, Chris Bak, Connie Kramer and Jerry Tomasheski.

Connie reported that she is planning a meeting with a group to go over the telephone program and is awaiting word on the availability of a room at the Parish Center. Chris volunteered to be part of that group.

Tom reported that he is planning a meeting of the four members of the team for the Catholics Returning Home program. Plans are for the first session to be in January and February of 2017.

Father reported that staff felt that the proposed program for the card would cause a program in that there would be more litter in the Church pews if implemented. After some discussion, it was decided that cards could be placed at the entrances to the church in holders such as Holy Name and Out Reach Meal uses. Jerry will get holders for the cards.

The meeting was closed with prayer by Father at 10:40 am.
