CHAIRMAN REPORT

Jerry suggested that we dispense with the July and August meetings as all programs are well underway. We will start up again in September.

Jerry reported that h has been chairman for almost three years and it is time for a change. He suggested Chris Nagel could possibly assume the role but the position will be decided upon at the June meeting. (We hope others will consider this position, Connie, Tom and Ken for example).

There was discussion on recruiting new members for our Commission as there could be other parishioners who might want to serve. Connie will prepare a bulletin insert.

The meeting was closed at 10:35 with a prayer by Chris Nagel.
